

Welcome to Mrs. Kimble's First Grade Class

1-A

Dear Parents,

First Grade is an exciting time as children embark upon new adventures in the world of learning. A new school year will begin in August, and I want to welcome you and your child to the First grade class. I hope you will find the 2016-2017 school year to be a rewarding and learning experience for your child. I'm very excited about our new class and am looking forward to working with you and your child.

Over the summer, it is important for your child to practice reading and review math skills that were taught in kindergarten. I want every child to be successful and children forget just as we do. The more your child is exposed to language, the easier it will be for him/her to incorporate new skills in reading in the classroom.

Enclosed you will find a list of supplies that we suggest you to purchase for your child. If this poses a problem, please let us know.

I wish each of you a fun and enjoyable summer with your child.

Fondly,

Mrs. Kimble
