

Dear Parents and Students,

Welcome to Second Grade!!!! I hope you will have an enjoyable summer. I can't wait to hear all your wonderful stories about your summer. I am looking forward to working with you this year. I have a lot of fun things planned for your second grade year. 'There are a few things you can do over the summer vacation that will help you keep the skills you learned in the 1st grade. First, you should READ, READ, READ! Secondly, practice those math skills. Every second grader is expected to know their basic addition and subtraction facts.

The State Department says that we can no longer require our students to bring school supplies but here is a list of the suggested items they will need for the second grade.

- *1 one subject notebook**
- *Loose leaf paper**
- * 1 folder**
- *2 boxes of tissues**
- *Cleaning wipes (Lysol)**
- *Pencils (No lead pencils please)**
- *1 pack of dry erase markers**
- * Crayons, markers, glue, scissors, and a pencil box**
- * Tennis shoes are required for PE class**
- * Optional: earbuds or headphones for the computer**
- *No book bags with wheels they will not fit in our cubbies**

**Sincerely,
Mrs. Simmons**
