Dear Parent:

Your child will begin Kindergarten, in our class, at Franklin Elementary School this fall. We have compiled a list of recommended items necessary to help make your child's Kindergarten class a fun and successful time. We ask that you PLEASE DO NOT purchase pencil boxes, paper, notebooks, pencils, or large size (jumbo) crayons; these items are not needed in Kindergarten.

SCHOOL  
SUPPLIES

The recommended items that your child needs are...

- Four boxes of regular size crayons (\*Crayola - 8 pack)
- Three (4 oz.) bottles of \*Elmer's washable, white glue, orange tip
- Three large size glue sticks and three small size glue sticks
- Backpack (regular size not small) - no drawstrings or wheels
- Two box of tissues
- We recommend the purchase of a Kindermat (four-fold) for your child. This is available at Wal-Mart, Staples, etc. (The Preschool teacher may have brought your child's mat to Kindergarten if it's still usable).
- Two large rolls of paper towels (\*Bounty preferred)
- An extra change of clothes in a labeled \*Hefty bag.
- One quart size box of \*Hefty or \*Ziploc plastic bags
- One gallon size box of \*Hefty or \*Ziploc plastic bags
- One pack of napkins
- Two containers of \*Lysol disinfectant sanitary wipes
- One pack - 9oz. plastic cups
- **\*\*Velcro** tennis shoes for PE that will be kept at school

- You may purchase headphones for your child to be used in computer lab, if you do not want to purchase headphones then your child may use headphones provided by FES - Your purchased ones will only be used by your child and kept at school

To help your child get a good start in Kindergarten here are a few recommendations to work on over the summer:

- Be able to recognize/write first name correctly (ONLY first letter is uppercase)
- Tie, button, zip, and snap
- Recognize/write/count numbers 1-20
- Recognize square, circle, rectangle, triangle and hexagon
- Recognize all colors
- Recognize/name letters of alphabet and know some sounds
- Recite telephone number and address
- Begin reviewing all of the above over the summer with your child.

We will be calling your home when school begins in August to schedule a parent/teacher school visit...there will be more information given on this visit.

Thank you,

**Mrs. Glover/Ms. Kenna**  
**Kindergarten A**

\*Recommended brands are requested because of quantity and quality. Most of the time, we can use these multiple times as opposed to once. No Clorox products please, due to allergic reactions.

\*\*Consider this: When purchasing tennis shoes for your child, especially beginning Kindergarten school year, please consider Velcro, unless your child is already tying his/her own shoe strings.

Dear Parents,

Your child will begin Kindergarten in our class at Franklin Elementary School this fall. This is a list of items that are on our wish list for KB. Please DO NOT purchase **trapper keepers, pencil boxes, paper, notebooks, or large size crayons.**

**Dear Parents and Students,**

**Welcome to Second Grade!!!! I hope you will have an enjoyable summer. I can't wait to hear all your wonderful stories about your summer. I am looking forward to working with you this year. I have a lot of fun things planned for your second grade year. 'There are a few things you can do over the summer vacation that will help you keep the skills you learned in the 1st grade. First, you should READ, READ, READ! Secondly, practice those math skills. Every second grader is expected to know their basic addition and subtraction facts.**

**The State Department says that we can no longer require our students to bring school supplies but here is a list of the suggested items they will need for the second grade.**

- \*1 one subject notebook**
- \* 1 folder**
- \*2 boxes of tissues**
- \*Cleaning wipes (Lysol)**
- \*Pencils (No lead pencils please)**
- \*1 pack of dry erase markers**
- \* Crayons, glue, scissors, and a pencil box ( No Markers)**
- \* Tennis shoes are required for PE class**
- \*No book bags with wheels they will not fit in our cubbies**

**Sincerely,**

**Mrs. Simmons**

June 8, 2018

Dear Parents,

Welcome to third grade (3B)! I am looking forward to working with you and your child during the 2017-2018 school year.

Please encourage your child to read over the summer. Reading just 10 minutes a day can really help. Have them read to a friend, a brother or sister, or to anyone that will listen.

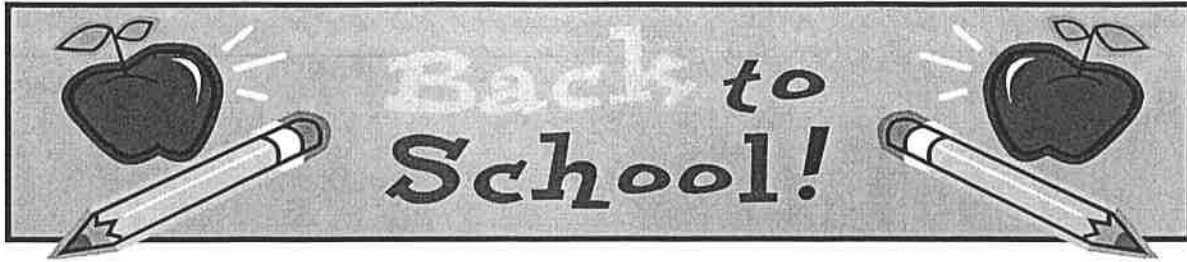

Learning the multiplication facts is one of the most important math skills taught at the third grade level. Over the summer, if your child studies them for just 15 minutes a day, it can really make math easier for them next year. You can purchase flashcards that will help or make your own.

When you start shopping for school supplies, here is a list of suggested items needed for third grade. The State department says that we can no longer require our students to buy school supplies, but we may suggest them.

1. Three spiral notebooks
2. Loose-leaf notebook paper
3. Box of crayons /colored pencils/colored markers
4. Small bottle of Elmer's glue and a 2pk glue stick
5. Sharpened pencils (solid wood/no decorative wraps) with erasers
6. One box of tissues
7. Bookbag ( none with wheels due to lack of space)
8. One dry erase markers
9. Pencil box (just regular size)
10. Gym shoes for PE ( May be kept in cubby for PE classes)
11. Container of cleaning wipes( Clorox or Lysol) Bleachfree!

This supply list is also found on our school website in case you misplace this letter @ [www.pendletoncountyschools.com](http://www.pendletoncountyschools.com). HAVE A GREAT SUMMER! See you in August!

Mrs. Crystal Ceely 3B

June 8, 2018

Dear Parents,

I look forward to having your child in my class next year! I hope to have a fun and exciting year full of learning.

Please encourage your child to practice their multiplication facts over the summer. Mastery of multiplication facts will be a necessary tool for math success in the 4<sup>th</sup> grade. It is important that students have quick recall of these facts. Also, please read with your child or encourage your child to read independently over the summer. Reading books for pleasure has a tremendous impact on your child's reading achievement.

Below is a list of supplies your child will need for the school year. I know many of you like to do your shopping prior to the start of school.

- ❖ 7 one subject notebooks
- ❖ 1 pack of loose leaf notebook paper (wide ruled)
- ❖ Crayons and markers
- ❖ Pencils (no mechanical pencils)
- ❖ 2 containers of sanitary wipes (no Clorox brand wipes due to an allergy)
- ❖ 3 large boxes of tissues
- ❖ 3 folders with pockets
- ❖ a clean pair of tennis shoes to be kept at school for P.E.
- ❖ ear buds/ear phones for computer
- ❖ backpack

Time seems to go by quickly, so it will soon be the start of a new school year! I hope you and your family have a great summer!

Sincerely,

Mrs. Eye

Dear Parents,

Welcome to Fifth Grade (5A). I am looking forward to working with you and your child.

Please encourage your child to read at least twenty minutes each day during the summer. They can read to you or a sibling. This will greatly benefit them as they come into fifth grade. We will be reading A LOT!

All students NEED to know their multiplication tables by fifth grade. Your child will struggle in math if they don't know these by next school year. Please practice the tables with your child each day. They should know their facts up to twelve. You can purchase a set of flashcards and practice for about 10 minutes per day. You can also use the internet and find a site to practice these. If you help your child learn these, this will greatly increase their success in math class. Thank you for your help.

When you start shopping for school supplies here is a suggested list for fifth grade. The State Department states that we can no longer require our students to buy school supplies but we may suggest them.

- Two big boxes of tissues (We will need these for the entire school Year)
- One container of Lysol cleaning wipes
- One package of **\*\*black\*\*** dry erase markers (1 - 3)
- Crayons or colored pencils
- Sharpened Pencils with erasers, Pencil Box large enough for crayons, pencils, etc. **\*\*No Mechanical Pencils Please\*\***
- Three - 75 page spiral notebooks
- One Composition book for Science
- A two pocket folder for Science, Social Studies, and Reading (3) all together
- One 1" three ring Binder for Math
- Book bag
- Tennis shoes must be worn during recess and PE class (Usually one set stays at the school for PE.)

See you August 17th. Mr. Vargo

Dear 5B Parents,

Welcome to fifth grade (5B). I am looking forward to working with you and your child. My goal: to "grow" your child academically and socially (if needed). The official start date for the 2018-2019 school year will be August 17<sup>th</sup>. Teachers will return on August 13<sup>th</sup>. We look forward to welcoming the students into the next exciting year of learning.

Please encourage your child to read over the summer. Research proves that if children read, they improve in life's successes. Your child can also take AR test at the beginning of the school year on books they have read over the summer. Different ways of reading: read books online (YouTube, Storyline Online, Google Library of Virginia & then click the TumbleBooks Link), read books to a sibling, you can read a book with your child. Happy Reading!!!

Students in the fifth grade NEED to know their multiplication facts fluently. Meaning if asked what  $4 \times 9$  is, they should be able to answer without counting on their fingers and toes. ☺ Your child will struggle in math if they do not know their multiplication facts. You can find fun ways to practice online: [www.mathplay.com](http://www.mathplay.com), [www.mathplayground.com/games](http://www.mathplayground.com/games), [www.coolmath4kids.com](http://www.coolmath4kids.com), & there are many more. Simply Google: multiplication games.

When you start shopping for school supplies in August, please consider buying the following items:

### 5B Suggested Class List-Ms. Champ

- 6 one subject notebooks
- 1 pack of loose leaf paper
- Colored pencils and/or crayons, & skinny markers (no fat markers)- we use these for math class to draw problems using "color codes" & it is important that each student has colored pencils and/or skinny markers- the crayons are optional
- Pencils (no mechanical pencils)
- 7 folders
- Post-It notes (at least 3 Post-It pads-we use these for MANY, MANY things)
- Glue bottle (1 or 2) and/or glue sticks (@ least 2)
- Scissors- small is better for desk space
- 1-2 boxes of tissues
- Highlighters- a variety of colors is best OR at least one highlighter per student
- Dry erase markers (a pack of 4 or 5 markers for student's SmartPals & whiteboards)
- 1-2 Containers of cleaning wipes (no Clorox if possible)
- Tennis shoes for P.E. (old or new- just CLEAN)
- USB flash drives are used during Social Studies/Science Fairs & to save computer based projects (online space is available to those who don't have Flash Drives as well)
- Pencil bags/boxes (bags are easier to fit in desk- more flexible)

The State Department states that we can no longer require our students to buy school supplies but we may suggest them.

Signed one very excited teacher to have you & your child in 5B,

6<sup>th</sup> grade  
6A/6B

- ~ You will need 1 single composition notebook for spelling, 3 spiral notebooks
- ~ We ask every student to bring in 1 box of tissues. We can go through several boxes when allergy and cold season hits. (Do they ever go away anymore?)
- ~ Gym shoes are needed for PE, and sneakers for outdoor recess if you wear flip flops. These can be kept in the cubbies.
- ~ You will need pencils, as well as erasers. We ask that you bring #2 lead pencils, and **NO Mechanical Pencils**. We require all assignments to be completed in pencil.
- ~ You can bring your own calculator and other math utensils, but we supply these.
- ~ You will want to have a pencil box with art supplies like crayons, markers, glue and scissors. While we supply all of these materials, many students prefer to have their own.
- ~ You will want to have another smaller pencil box or pouch to keep pencils in when you switch classes for Science and Social Studies.
- ~ Pencil sharpeners are **not allowed**.
- ~ A flash drive (jump drive) may be useful in completing projects at school. This does not need to be an expensive purchase, a cheap flash drive will do. We do supply these too!
- ~ You may want your own computer ear buds or headsets.

**Your child will be in Mrs. Rightsell's / Mrs. Young's class next year.**
