

We invite you to **"Pave the way for our children's future"**. As we prepare to move into our beautiful new school, we are raising money for last minute needs. We want students and staff to walk into a safe, and well equipped learning environment. We need your help! We are beginning a brick campaign to sell engraved bricks that will be placed around the flag pole just to the left of the entrance at the new campus. You can purchase one or as many bricks as you like.

We would like to share a few ways for you to honor the people and groups close to you:

- Celebration of special events like graduation, hobbies, or sports.
- Honor family members and friends.
- Memorialize a loved one who has passed.
- Recognize a special student in school.
- Remember a current or former teacher and their years of experience.

This is also a great place for groups to leave a lasting impression. Workplace groups and businesses, as well as community groups and organizations will have great pride knowing that their gift is enduring and many people will come to see their beautiful brick.

With your support of this ongoing project we will begin installation in 2015.

You can pay via check or PayPal (online option) for those that live out of the area.

For additional information email FESBRICKS@gmail.com.

The Pendleton County Community Foundation is a 501(c) 3 non-profit organization. All gifts are tax deductible. Charitable letters will be sent to all individuals who make purchases. For additional information go to www.pendletoncommunity.org.
