

# All About Middle School

## A letter from the Principal...

6<sup>th</sup> graders,

Soon you will no longer be an elementary student, and the teachers and I are so excited to have you join us at the Middle School. The teachers are very caring and will help you learn your way around, all about getting into a locker, and how to manage a schedule that goes from room to room. When I was your age, I had already been in over five schools and had moved five times. I know the stress of change, but I also know that it can be a lot of fun. You will make new friends and learn so much. The teachers, the students, and I will be here to answer questions and help you, so do not worry.

Have a fun, safe summer, and we will see you in August.

Mrs. Hevener
